THE LURE

There is a Lure about Low Prices, Bargain Sales, etc., that gets the best of us. That's what makes Bargain Sales popular. For the supposed saving, wasn't in it. It's more Satisfactory to use our Quality Coal and it's really Cheaper, if you keep right on using it. Real Quality Coal can't be sold Cheaper than we are selling it. If it's Cheaper, it isn't Quality. Use Quality Coal this Winter. Then figure up Next Spring and you will see that it has Cost You Less.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
